

# UCHIWA LOUNGE CHAIR

DESIGN BY DOSHI LEVIEN

Uchiwa is a capacious armchair, taking its soft and open shape from the traditional Japanese hand fan. Generous and inviting, new and familiar at the same time, the armchair comes in two upholstered versions: in a softer quilted model for a more domestic environment and in moulded foam for a more demanding contract context. The base is available in natural or stained oak.

## PRODUCT DETAILS

- / Capacious and inviting armchair, taking its soft and open shape from the traditional Japanese hand fan.
- / Available in two versions, a soft quilted version, ideal for home use, and a moulded foam version suitable for more demanding contract contexts.
