

# EIFFEL COLLECTION

DESIGN BY DEPPING & JØRGENSEN

HAY

## EIFFEL COLLECTION

Based on a simple layering principal, Depping & Jørgensen have created a flexible and multifunctional range of shelving units and tables using cast aluminium leg modules with powder-coated MDF square, triangular or rectangular plates in different sizes. The shelving systems and tables are available in diverse colours, heights and shapes, making them suitable for use in a wide range of private and public contexts.
