

JOIN™

Join™ is a new coffee table series designed by Fritz Hansen. The series has a subtle and understated appearance but plays a central role by bringing people together and connecting with the rest of the furniture in the room. Join has a beautiful and timeless design with an understated personality and the ability to blend into any setting or room.

REPUBLIC OF **Fritz Hansen**®

PRODUCT DESCRIPTION

Join™ comes in three shapes: a classic round table and two sizes of ovals. Despite the different shapes, the three tables share a distinct style and clearly belong to the same family. In this versatile series, the tables can either stand alone, highlighting their unique qualities, or be grouped together.

The tabletop is available in solid wood with the following finishes: oak with clear lacquer and black lacquered oak. The base consists of four legs made of black powder coated steel. Each leg is mounted with synthetic glides made of black TPE.

DESIGN

Fritz Hansen, 2014.

VARIATIONS & DIMENSIONS

Model FH61:

PACKAGING MATERIAL

The table top is covered with polyethylene foam and packed in cardboard. The base is packed with foam. All packaging material can be recycled.

REPAIR, DISPOSAL AND REUSE

In case of repair and disposal the coffee table can be disassembled into two materials (table top and legs + screws) for recycling. Check local regulations for recycling in your area and whether there is potential for reuse.

MANUFACTURING PROCESS

Suppliers

Suppliers environmental stance is examined as part of Fritz Hansen's quality and environmental management systems before Fritz Hansen enters into cooperation with a supplier.

Metal

Production scrap (steel) is collected for recycling.

MANAGEMENT SYSTEMS

Environmental Systems

We are aware of our environmental responsibilities. Therefore, in the autumn of 2004 Fritz Hansen obtained the ISO 14001 certification in the environmental management system. The certification is a guarantee to our customers and the authorities that we comply with the requirements of the ISO 14001:2015 standard.

Quality System

Fritz Hansen is also certified according to the quality system ISO 9001:2015.

Employee Health and Safety

Fritz Hansen aims at meeting or exceeding OSHA standards.

LONG LIFETIME

A long lifetime of a piece of furniture is an important environmental factor. Fritz Hansen aims to obtain a long lifetime through timeless design and strict requirements for strength and durability. The coffee table complies with the requirements for EN 15372:2007 Non domestic tables – Strength, durability and stability - Test Level 2.
